## Plymouth Model Flying Club Newsletter

December 2007

### *Plymouth MFC December 07 News*

**Dear members,**

Below is a brief report of the Meeting, Held on Friday 7<sup>th</sup> December 2007.

With seven members present including three committee.

The meeting started at 20.00 with the minutes of the November meeting read by the secretary and with no matters arising.

Alan stated that we have eleven out of the thirty-five members who have sent in their membership renewal fees for next year, So a big thank you to those who have and a gentle memory jog for those still outstanding. It would be good to have an idea of numbers for next year at the earliest opportunity.

Could I please ask that all members who currently have e-mail please forward their e-mail address on the membership renewals form or alternatively could you please e-mail myself (Adrian Moss/secretary) at [Kitchenchap@blueyonder.co.uk](mailto:Kitchenchap@blueyonder.co.uk) . This will enable us to forward any relevant information and news to members quickly and Rick Messenger would like to e-mail members with web site updates.

Rick also stated that he is investigating the possibility of attaining a lottery grant for the club and after some discussion, it was decided that would try for the grant in order to purchase a new mower and lockup. Rick has already done a fair bit of research into the grant and it appears that we do qualify in all respects (so let us keep everything crossed).

Sorry for the late dispatch of the December News Letter but Alan and I have been waiting for the new / Renewed BMFA members insurance etc. as you can appreciate at this time of the year the BMFA will be inundated with clubs renewing memberships. Any way the BMFA renewals are starting to filter through now, so now is the ideal time to forward the new insurance and membership cards out with this letter.

--	--	---------------

Just a final note from me, if any one has any stories or any thing that may be of interest to the rest of the club then please drop me line and I can add it to the next News Letter.

I hope you all had a fabulous Christmas and a not to drunk a New Year and look forward to seeing you all in the New Year.

***Adrian.***
