Plymouth Model Flying Club Newsletter

January 2008

Dear members,

Below is a brief report of the Meeting, Held on Friday 11th January 2008.

With eight members present including four committee. The meeting started at 20.00 with the minutes of the December meeting read by the secretary and with no matters arising.

During the meeting it came to light that we seem to be a set of shed / mower keys missing. We should have six sets but at the moment we can only account for five, so if any one out there can shed a little light on the whereabouts of said set of keys it would be much appreciated.

Now the BMFA paper work, insurances etc are starting to come through now although I think most of you will now have yours. There are a few members that take out their own BMFA country memberships separate from the club and I would ask if these members could please pass on their BMFA membership numbers to either myself or Alan Bailey by e-mail or phone: kitchenchap@blueyonder.co.uk , alanandaileenbailey@tiscali.co.uk

Well I have to say that this month we have had a couple days fair weather and it has been an ideal opportunity to take to the skies. The field has had a few runs over with the mower (which thanks to Alan is now fitted with a new relay and working well again).

Well done Nick for passing his 'A' ticket this month a top flight if I say so myself. So those out there who have been flying for a while and are working towards their 'A' have a chat with Alan Bailey and get a mutually convenient date set and let's get you all ticketed up.

And again a final note from me, if any one has any stories or any thing that may be of interest to the rest of the club then please drop me line and I can add it to the next News Letter.

This will be the last news letter going out to those who have not as yet re-joined. So come on guys re-join you know want to!

I hope to see you all either up at the field or at the club meetings.

Adrian.

Adrian Moss
Secretary
Plymouth Model Flying Club
